SINCE
IT WAS
DESTROYED
IN THE
GREAT
WAR.

THIS
TEMPLE
HAS NOT
BEEN
REPAIRED.

TO THINK
THAT I
WOULD
MEET YOU
AGAIN IN A
PLACE
LIKE
THIS...

HOW
MANY
CEN-
TURIES
HAS IT
BEEN?

MAKOTO
...

I
NOTICED
HE WAS
GETTING
WEAKER...

I WAS
ACTUALLY
HAVING A
HARD TIME
SEEING
HIM FROM
THE
BEGINNING,

AT
FIRST I
THOUGHT
HE HAD
JUST
STOPPED
MOVING,

BUT THEN
HE STARTED
GETTING
TRANSPARENT,
AND THEN HE
DISAPPEARED!

DREAMING
OF THE
DAY HE
COULD
MEET HIS
SISTER
AGAIN.

HE WAS
ALWAYS
THINKING
LONELY
THOUGHTS
...

THANK
YOU VERY
MUCH!

I
MEAN

THAT
CHILD,

HE NEVER
GOT
ANYTHING
FOR HIS
EFFORTS.

ALWAYS,

ALWAYS
WAITING.

NO...

GOTTEN
SOME-
THING
FOR ALL
THE PAIN
HE
SUFFERED.

HE
SHOULD
HAVE AT
LEAST,

SO...

HE HAD TO LET
HER PASS ON
FOR HER OWN
SAKE, AND HE
WAS LEFT
ALONE AGAIN.

AND
WHEN HE
FINALLY
GOT TO
SEE HIS
SISTER
AGAIN,

AND
NOW HE'S
DEAD...

HE DIED
BURDENED
BY HIS
LONELY
THOUGHTS.

DON'T
START
GRIEVING
JUST
YET.

SUZU...

OJARU-
SAMA

I WENT
AND
SPOKE
TO
THE KANNON*
MESSENGER

AND THAT
YOMOGI
WILL BE HIS
"FAMILY"

AOMO WILL BE REINCARNATED
BEFORE TOO LONG.

ACCORDING
TO HIM,

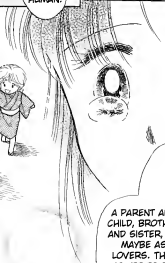

AND
THIS
TIME,
HE WILL
BE A
HUMAN.

AOMO DID
HIS BEST.

THE
BODHISATTVA
HAS
PROMISED
AS MUCH.

THEY WILL
LIVE
HAPPILY
TOGETHER.

A PARENT AND
CHILD, BROTHER
AND SISTER, OR
MAYBE AS
LOVERS. THAT
IS YET TO BE
DECIDED.

WE
INHABITE
DIFFERENT
DIMENSIONS.

I'M
SO
GLAD
...

AOMO

CAN
FINALLY
LIVE
HAPPILY.

HE
WON'T BE
LONELY
ANY-
MORE.

I'M
GLAD YEAH,
TOO,
SUZU.

I ALSO..

GAVE SUZU
LONELY
THOUGHTS.

UNTIL
NOW, NOW
MATTER
HOW
MUCH WE
WANTED
TO HELP,

WE COULD
NOT TRAVEL
BETWEEN
THEM, SO
THERE WAS
LITTLE WE
COULD DO.

I'M
SO
GLAD
...

I'M
SORRY.

I'M SO
SORRY.

AW,
YOU'RE
LEAVING
ALREADY?

YOU CAME ALL
THE WAY OVER
HERE, WHY
DON'T YOU
WATCH A BIT
MORE OF OUR
SHOW?

YES.

OF COURSE,
IT WOULD BE
SUSPICIOUS
TO DO SO IN
THE MIDDLE OF
THE CITY,

SO WE'LL WALK
FOR A WHILE
UNTIL NO ONE
IS WATCHING
BEFORE WE
TAKE OFF.

WILL YOU
BE RIDING
WITH
OJARI-
SAMA ON
YOUR WAY
BACK?

YOUR
FACE HAS
CHANGED
A BIT
SINCE
THAT
TIME.

IT
LOOKS
LIKE

おじ
OJARI-
SAMA!
っ様!

あ 険々
IT HAD A
GRIM LOOK
TO IT
で

YOUR FACE
OF ONE
TRUSTING
HUMANS IN
THE PAST...

IF YOU HAD
BEEN LEFT
ALONE LIKE
THAT, WHO
KNOWS WHAT
KIND OF
MONSTER
YOU WOULD
HAVE
BECOME.

I BELIEVE
THAT'S DUE
TO THE
INFLUENCE OF
THE FLUTE
WHO
RELEASED ME
FROM THE
FLUTE.

おじ
おは
FITS
YOU
GRATE
WELL.

NO,
IT'S A
GOOD
LOOK.

THAT YOU
SEALED ME
IN THE FLUTE
TO SAVE ME?

.....
ARE
YOU
SAY-
ING,

I'M GLAD
YOU MET
WITH SUCH
KIND
HUMANS.

SENJUOH

《 〇 〇 〇 》...

す
か

☆
YOU
ARE
QUITE
ANNOY-
ING.

IF WE CALL
HIM BY IT,
HE CAN COME
TO US
IMMEDIATELY
WITHOUT
SEARCHING.

HIS
TRUE
NAME.

I THINK
SO, TOO,
SHIN-
KUROU.

WOW, WE
SHOULD
BE
CAREFUL
WITH
THAT.

GENPA-
CHIROU
...

IF
SOMETHING
HAPPENS,
DON'T
HESITATE
TO CALL
ON ME.

THIS
TIME I
REALIZED
A FEW
THINGS
AS WELL.

I THINK
THAT'S
ANOTHER
LESSON OF
THE TENGU
WORLD.

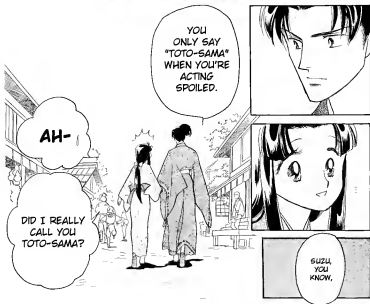

NO...
I DON'T
THINK
THAT'S
QUITE
THE
ISSUE.

HA
HA
HA

SO FROM
HERE ON OUT,
DON'T LOSE
YOUR NERVE
ALRIGHT?

LET'S HEAD
HOME,

BACK TO
IMA.

I tried to think of something stupid...

too many
pages pose.

There's
too
many
pages.

What
should
I do?

Pose

I wrote
everything
I had to
say on
1/4th of
the ad
page.

Pose

But,

let's
write
about
something
I thought
of about
space.

Extremely
roughly
speaking,

first
off,

So here's
a fish
from the
tropics

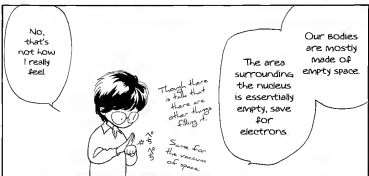

I have
no
topics

it's kinda
like what
they did
in old
comic
books.

Man,
taking
these
poses,

I wonder where in space the atoms in my body came from,

"I seriously feel like space exists even in the middle."

This came to mind, and I thought

So to reiterate,

Like how when unobserved, atoms behave like wavelenaths

On top of that, there's also theories about what makes up atoms being investigated

Ah, that's right, they're also saying that light exhibits properties of both waves and particles

OHK Special

All substances that create the world around us, and even ourselves, every thing we can see, and even can't see (like air) is a piece of a star.

Maybe Tenous are real, and Shinkurou can fly into the sky.

Ojeru-sema the Mononoke appears

And comes to rescue Suzu.

If so,

Is matter a form of condensed wavelenaths?

Does this mean that all matter consists of wavelenaths?

Does matter become a wave when it is undone?

And if all matter ceased to be, would everything become waves?

**IS
THAT
SO?**

It's not
mysterious
at all!

**HUGE LEAP
IN LOGIC**

**THE
END**

*Why are
you like
that?*

SURPRISE

I TRIED TO THINK OF SOMETHING STUPID/THE END

EXCLUDING THE AUTHOR'S NOTES IN THE NEXT VOLUME. IT'S TOO TROUBLESOME. LOL
